“ALL DONATIONS ARE EXEMPTED UNDER SECTION 80G OF THE INCOME TAX ACT”

From the Executive Director

Bringing out this Annual Report has been extraordinary! This financial year ended with (who had imagined) a LOCKDOWN!! The beginning of terror, shock, anger and grief at the uncertainty of life and the fear of even people shook up everyone!

As we stepped into the next financial year it was becoming apparent that we just cannot sit without doing anything. Deepshikha started to think about online classes. We are eagerly and anxiously waiting to see how this works! We lost Dr Mithilesh Kanti, an academician, our mentor and guide. Even though he had moved to Delhi years ago, his passing has left a void which can never be filled. Our deepest condolences to the family.

BIG BAZAAR at Nucleus Mall agreed to observe the Silent Hour on occasion of World Autism Day! Our students actually enjoyed shopping that day! Hope BB continues with the Silent Hour as in a few metropolitan cities.

We thank State Bank of India, Regional Office, for donating Audiology equipment. I would also like to mention Rotary Club of Ranchi for sharing joys and caring for Deepshikha! For the past few years the members come every year to celebrate World Mental Health Day with us!

After so many years finally we were able to introduce AVAZ, an AAC tool at Deepshikha. We are yet to get results.

The World Disability Day was celebrated very differently! Gopika came up with this unique idea of involving schools, creating an inclusive environment, sensitizing schools and full on masti during this WDD! “Meet Your Special Buddy” was an interesting concept and the participating schools put their hearts and soul into this program. I would like to thank the Principals of these schools for believing in this concept. We discovered Abhiranjan, a special athlete, a Coach and a gold medallist in Special Olympics. He was introduced to us during ‘Meet Your Special Buddy’ and now he is coaching the students at Deepshikha.

We are delighted that Vivek Kumar Singh, an activist and a PWD, after a long legal battle was appointed as Assistant Registrar, Cooperative Services! We were happy to welcome him as the Chief Guest at the Annual Sports!

At a time when there is COVID 19 talks everywhere these lines seem so apt:

“He who has health, has hope; and he who has hope has everything.”

– Thomas Carlyle

Let your HOPES, not your hurts, shape your future!

It was observed that cases from Rural Areas have been on the decline. This could be attributed to a few facts:

- o Training of Ayush Doctors has led to awareness
- o Safe deliveries (child birth)
- o Ayushman Bharat program benefits
- o Difficulty in commuting from remote areas

MEET YOUR SPECIAL BUDDY

UNIFIED SPORTS

24th Nov to 10th Dec, 2019

Project Chairperson: Gopika Anand

The term inclusion captures, in one word, all-embracing societal ideology. For individuals with disabilities inclusion secures opportunities to learn alongside their non-disabled peers in general school environment.

This year the idea was to create sensitization that can bring together able and disabled students on a common platform. A unified sport was found to be the best option. Based on this the idea of **Meet Your Special Buddy** came up. Deepshikha, proposed to organize Unified Sports in joint collaboration with **Special Olympics Bharat**, and different schools of Ranchi on the occasion of **World Disability Week**.

Special Olympic is dedicated to promoting social inclusion through shared sports training and competition experiences. Unified Sports is an attempt to join people with and without intellectual disabilities on the same team. It was inspired by a simple principle: ***training together and playing together is a quick path to friendship and understanding.***

In Unified Sports, teams are made up of people of similar age and ability. That makes practices more fun and games more challenging and exciting for all. Young people with disabilities often do not get a chance to play even on their own school sports teams.

On Day 1, the event kick started with Bocce ball at DPS, Greater Ranchi. At the day of the event the Principal of DPS along with the teachers, staff and children were present. The event was very well organized. The children were playing Bocce ball for the first time. Field was prepared and rules of the game were explained prior to the event. At the end medals and certificated were presented to both the teams.

On Day 2 Sarala Birla Public school hosted the inaugural match of cricket. The Principal Mrs. Paramjit Kaur, Teachers, staff, teachers and the Managing Committee from Deepshikha were present. **Guests of Honor Satbir Singh, Area Director, SOB and Mukesh Kanchan, Captain of Indian Divyangjan Cricket** team were present.

A beautiful song by class 1 children of Sarala Birla School was presented. It was followed by a brief on Unified Sports by Satbir Singh. Mrs. Paramjit Kaur, Principal, SBPS welcomed and motivated the participants. The game started with the National Anthem and Toss. The game was one of its kinds in Jharkhand. Slowly the bonding grew and their understanding became stronger as the game proceeded. Children met their special buddy and a friend for life time. Two special children from Sarala Birla School also participated in the event.

On Day 3, Cricket was organized at ***Surendranath Centenary School***. The principal, Mrs. Samita Sinha was present with other teachers and staff. All the students were present to cheer the participants. The event was very well organized. The sports teachers of the school were very active and were fully involved. The children gelled with their team mates and played in proper coordination. It set a perfect example of inclusion. At the end medals and certificated were presented to both the team.

On Day 4, Football was organized at ***Central Academy***. The Principal was present along with the sports teachers. Medals and certificated were presented to both the team.

On Day 5, Bocce ball was organized by ***Oakville Academy***. The principal of the school, Vinita Dhanani, has always been supportive and always aims towards inclusion. Children enjoyed a lot and understood the concept of inclusion.

Day 6 On the occasion of **World Disability Day**, unified football was organized at ***Cambrian Public School***. The entire school, teachers, staff, management committee and the Principal, Neeta Pandey were present to witness the event. They took huge effort in organizing an extraordinary event, with well prepared field, standees to create awareness, media coverage. Participants understood the game properly which served the purpose of an inclusive and unified game. They also provided medals for the winning team and refreshments for all children. At the end Pramod Kumar briefed about the importance of celebrating **World Disability Day**.

On Day 7, ***G&H public school*** organized unified football. They made special arrangements to make the sport a memorable event. Management committee of the school was fully involved and took efforts to make the event a success. The event started with a welcome speech and ended with a medals and trophy distribution and vote of thanks.

On Day 8, Football was organized at **DAV Nandraj**, children played without discrimination, bias and formed a unique team with an incredible spirit.

On Day 9 The event ended with Bocce ball organized by **Firayalal Public School**. The Principal of the school, Ms. Sushma Munjal along with her team took efforts to organize this inclusive event and to make it a success.
