“REHABILITATION PROGRAM FOR PERSONS WITH DISABILITIES USING SPORTS & BUILDING COMMUNITIES AS INSTRUMENT OF CHANGE”

Deepshikha ICD&MH, Ranchi and Special Olympics Bharat in association with Jamsetji Tata Trust has launched a Project named **“Rehabilitation of PWD's through Sports”**. The project was launched by his Excellency the Governor of Jharkhand on 17th July, 2013. The project is for three years and it is the first of its kind, where through sports, holistic development of a Special Child is planned. We expect to identify the talent of these athletes and to train them so that they can participate at State, National and International level sports competitions.

Under the project we will be covering 2400 Special Athletes from the two blocks i.e. Ranchi Sadar and Namkum Block. 400 Athletes were trained for 6 consecutive camps. The first phase began from July, 2013 and will continue till December, 2014. These 400 special athletes will be provided periodical monthly athletics training and their routine Medical Check-up under Healthy Athlete Programme; i.e. Health Promotion, Fit Feet, Healthy Smile, Fun Fitness, Opening Eyes and Healthy Hearing.

Also covered under this programme:

- ✓ Young Athlete for Young Children with Disabilities,
- ✓ Family Forum for Parents of CWSN,
- ✓ Athlete Leadership Programme for Youth with Disabilities,
- ✓ Unified Sports including Normal and Special Athletes,
- ✓ Special Olympic Get into It for Mainstream School Teachers,
- ✓ Community Coaches Training Programme and more . After successful completion of Phase I now we are moving to Phase II.

Manpower Training Programme

Diploma in Education Special Education (Mental Retardation)

Deepshikha ICD&MH started its first manpower training programme in 1991 in Diploma in mental retardation. Aims to develop professionals for special education in the current millennium. The course will enable to acquire knowledge, develop education to children with special needs. This course, now conducted by NIMH, with recognition from the Rehabilitation Council of India, not only gives an understanding of the special needs of the children who are challenged, but is also providing excellent avenues for employment. The opportunity of these students as Resource Teachers is helping to change the disability scenario in the State.

Deepshikha has incorporated technological advancements in its classroom. Use of audio visual aids is encouraged. While the curriculum allows the students to work extensively with special children, Deepshikha gives them ample opportunity to participate in workshops and training.
