From the Executive Director's desk....

As we usher into the 25th year, we renew our commitment toward our vision of abling the disabled. After the first job fair that was organised in 2009, more than a 100 persons with disabilities were given employment, mostly in the IT sector and there is demand for more trained people. Even our children at Deepshikha are receiving remuneration. Five children of the Adult Skill Training Unit were given Rs. 4000 each as remunerations from the products sold.

Deepshikha helped Ankit Kumar, a bright student with cerebral palsy to find a sponsorer for his fees for two semesters to complete his engineering from KITT University, Bhubneshwar, Orissa. We would like to thank the Abhijit Group for paying Rs. 86,000.00 for his college fees. Purshree also supported him with Rs. 25,000. Ankit, now an Electrical Engineer has also received an offer for a job from Tata Consultancy Services. You do make us proud, Ankit.

Noted filmmaker, and a National Award Winner, Shri Meghnath, along with his team, Biju Toppo and Vineet, conducted a Photography and Digital Film Making Workshop from 17th -22nd March 2012. 15 students with various disabilities were selected to participate in the workshop. The training will be continued later as well. The excitement and energy that Meghnath Da exudes during the training will put many a special educator to shame. We do hope that we have more 'believers' like him in our society. This workshop was done without any financial assistance from any funding agencies. We strongly believe this could be scaled up. But for this funding agencies and the community will need to come forward and support it on regular basis.

Special Olympics in Jharkhand is picking up a lot. A number of Coaching Camps were organised which gave our children opportunities to travel to Chennai and Tripura. Some of the children who went to Tripura, travelled in an airplane for the very first time. Our students made us proud by winning a number of medals, including two gold medals in the National Championships held at Chennai.

A lot of other things needs to be completed. The auditorium which becomes a pool during the rains, the leaking roof, a fresh coat of paint all require attention and, yes, a lot of money. Scarcity of water still poses a problem which we face every day during the dry months. I appeal to our donors and well wishers to come forward to our rescue.

Our Heartfelt Thanks to.....

Out Door Clinic

Out Door Clinic

To meet the growing demand of services this year we extended our professional services. Ms. Neena Agrawal, clinical psychologist, joined Deepshikha from July. This year Ms. Sweta Lakra, Speech Therapist and Audiologist committed her services on a weekly basis.

265 children were registered the outdoor clinic. Out of 265 children, 153 were within 0-6 yrs of age range, comprising 57%. This trend has been fairly consistent over the last few years suggesting general awareness in the state. At the same time it also affirms the confidence of families and professionals in our early intervention programme.

Some successes of this year:

Vipul Kumar is 2 1/2 yrs old, and has developmental delay with right hemiparesis. He could not sit independently but now after 8 months of intervention he is standing independently without support.

Hare Puran has been one of the rarest cases of cranial spine ankylosis (cause unknown). The young boy had severe spasm in his upper extremities and was unable to eat independently and that too in a reclining position. After intervention he is able to chew and eat in a sitting position.

We have added to our services IEP program for children with severe behavior problem. For young adult girls Jolly, Mouli, Sheetal and Sonam who are unable to attend the Namkum training centre because of transportation problem, we have started a programme in prevocation and vocational training.

A special drive was taken to guide parents attending out door services on various schemes available to them. Regular physical and medical checkups of children by resident psychiatrist from CIP have helped in early identification of urine infection and anemia in a few children. Data of services rendered:

17th -22nd March,12 First Phase of Digital Film Making Project was started at Deepshikha.

Innovative Project: Still Photography and Digital Film Making

Thanks to the team of Mr. Meghnath, Mr. Biju Toppo and Mr. Vineet, Deepshikha could embark on a very unique, innovative and challenging project of training 15 mentally challenged, hearing impaired and physically challenged individuals in the art of Still Photography and Digital Film Making. The first phase of one month training workshop was held from 17th to 22nd March.

- The project was conceptualized with the objective of opening new new avenues of livelihood training differently abled people.
- To help them learn to raise their concerns through the medium of film making.
- To explore hidden creative skill and talents.
- To let them be equal partners/members of this digital world.
- To develop training module in this sector.

It was great learning experience for all of us at Deepshikha to see the commitment involvement and ingenuity of training skills of Meghnath Da's team. They were able to adapt their teaching method suitable to the level of these children and could explain complex concepts of photography in a very simple way. It was a challenge for our children (mentally challenged) to meet the demands of the grueling training from 10:00 to 6:00 pm; to be able to look as an equal contributing partner in group work. They made us proud and taught the very important lesson to believe in them, to create opportunities for them to take challenges. It was a truly inclusive workshop, where everyone was working as per their strength. From conceptualization, to filming, to editing everything was done in a remarkable spirit. It gave a much needed boost in their self confidence as well as in their parents.

A big thank you to Meghnath Da!

Adult Skill Training Unit

Year 2011-12 saw a record production in our Adult Skill Training Unit thanks to the efforts of our volunteers to take up the challenge of finding market for our products. Significant growth was observed both in volume and the quality of products. Last year we were able to give financial remuneration of Rs. 4000 to five trainees, Rana Ratan, Alfa Haque, Choti Rani, Sonu Kumar and Late Imran.

Vishi Tamang and Medlin (teacher trainee) were placed at a workshop of Nikhil Jain for on job training.

AUDIT REPORT

We have examined the Balance Sheet of Deepshikha, a unit of Purshree, Ranchi as at 31.03.2011 and the Income and Expenditure Account along with the Receipt and Payment account for the period ending 31.03.2011, which are in agreement with the books of account maintained by Deepshikha. These financial statements are the responsibility of the institution. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of the audit.

In our opinion, proper books of account have been kept by the assessee so far as it appears from our examination of books.

- (a) In our opinion, and to the best of our information and according to explanations given to us, the said accounts give a true and fair view in conformity with the accounting principles generally accepted in India, read with notes on accounts given herewith:
- (i) In the case of Balance Sheet of the state of affairs of the above named assessee as at 31.03.2011.
 - (ii) In the case of Income and Expenditure account of the excess of Income over Expenditure for the period ended on 31.03.2011.
 - (iii) In the case of Receipt and Payment account of the Receipts and Payments for the year ended on 31.03.2011.
