Mission

Deepshikha aims to work for child development and mental health by developing models of clinical services, education, skill training and advocacy.

Vision

To enlighten, enrich and empower the differently abled persons.

Deepshikha is now 27 years old!!

And there is a lot to report too....

The year gone by was an extremely busy one, the major achievement being the the 22nd National Parents' Meet! The Parents' Association of Deepshikha, Mitra, shared responsibilities and was fully involved from the very beginning! We had a record 600 delegates attending the Meet and it was so good to have parents from all over the country to listen to the experts! With such enthusiasm, we hope to see many more events coming up in future!

This year Deepshikha introduced the Comm Deall program, conceptualized by Dr. Pratibha Karanth in Bangalore. It is an early intervention program for children with Autism, aiming at inclusion. The Com Deall Unit was formally inaugurated by the Chief Commissioner of Disabilities, Shri Prasanna Pincha, Mrs Poonam Natarajan and Dr. D.K. Menon! What an honour for us! We are all looking forward to the positive results which we hope this Unit will bring.

Under the dynamic leadership of the Social Welfare Secretary, Smt. Mridula Sinha, Deepshikha also organized "Way Forward.....A State Level Workshop on Disability", paving the way for a better Jharkhand. The State Disability Policy which had been ready for the last 3-4 years, complete with all the legal formalities, was also launched in this programme.

This year we had a number of volunteers. Liz, who was a VSO volunteer last year, came all the way from UK to work with us for almost 10 weeks! Her contribution will be remembered and missed by all of us. We also had Suchita, a NIIFT graduate. She helped to design the products made in the vocational unit. Small groups of students from Xavier College also came to volunteer for short periods.

The pilot project of Special Olympic Bharat, that is, "Rehabilitation of PWDs through Sports" completed two years. Children, who have never been away from their homes without their families, are learning to live in camps, are participating in numerous game, and are getting selected to represent their State! The credit for the success of this program goes, undoubtedly, to the JEPC for sending children with special needs from neighboring blocks. Children, also, look forward to these camps, getting new T Shirts, Shoes and the thrill and pleasure of living with their peers. No wonder the participation which used to be barely 100 is now over 400 students!

As always, the donors from the community stood by us. We had the Chacha Nehru Vidyapith Trustees visit us. Impressed by the work, they supported us wholeheartedly. They even filled up the shortfall that we had, to buy a bus! The Priyadarshini Charity Trust is building a new Auditorium for Deepshikha!

Thank You!

Sudha Lhila

Donations are our lifeline !

We thank each and every donor who sends in cash and gifts organisations who sponsor programs and Schools of Ranchi who encourage us by supporting World Disability Day Events!

OPD Report

This year has been one of great learning experience for us. As we continued with our regular activities we faced a lot of challenges also come own way as our children who attended EI intervention clinic earlier were now ready to appear in Matric (Class X) examination. Rahul's parents approached us for a writer and extra time. We worked with JEP (Jharkhand Education Project) and a govt. order in this regard was issued on 14/2/2015. Rahul got the facility.

- Joy Cyrus is a 14 yrs. old boy with multiple problems, delayed milestones, very poor vision, and border line mental retardation. He came to us once a year since he was 4 yrs. old, all the way from Chattishgarh. This year, his mother, a working lady took 5 months leave without pay and brought him to Deepshikha regularly. Joy showed significant improvement in socialization, reading and numeracy. His speech is very clear. He went back home with self confidence and high self esteem. He expresses how he wants things to be, and shared his thoughts with teachers and parents.
- The number of new registrations is almost at par with the previous years, but the increased number of self referrals reveals the quality of service rendered. This year the referral from RIMS have gone up and also many more new names of doctors have been added to our referral list.
- Deepshikha is now working with other NGO's like PHRN (Public Health Research Network), World Vision, Nav Bharat Jagriti Kendra etc.
- Rakesh Kumar, Physiotherapist, Sunil Kumar Mishra, Speech Therapist have joined the Deepshikha family.
- IEP is also being done regularly.

Therapeutic Services

Deepshikha has been providing multidisciplinary services under one roof since its inception. The therapists work in different settings such as outdoor clinic, classrooms and in the community with parents. Therapy services offered are both on an individual and group basis. Younger students receive a combination of group and individual sessions depending on the individual need of each child.

Clinical Psychology Unit

In the year 2014-15, in absence of a regular full time clinical psychologist exclusively for clinical services, the unit was not able to function at its optimum level.

- In the outdoor clinic, however, 112 assessments were done and counseling was provided to 41 parents.
- Group parent training and counseling was done for mothers attending early intervention Pre-school Com-Deall programme.
- Behavior management programme was planned for children attending special school.
- Clinical psychology unit remained actively involved in the training/sensitization programmes.

Placement/Internship

- M.Phil and Ph.D students of M.Phil clinical psychology are routinely and regularly placed in the outdoor clinic. The students working on a rotational basis, do assessments, plan and carry out intervention programmes.

Speech and Audiology Unit

The speech and hearing unit provides intensive stimulation and training. The priority area is to work on communication needs of the children with the use of technology and communication aids. Activities are organized to facilitate and improve communication, cognitive, behavioral and social skills to enable them to integrate themselves in the society.

Special feature of assessment and training

- Assessment of each child's level and needs.
- Setting goal plans for each child.
- Systematic evaluation program
- Audiology training – sound awareness, sound discriminations, sound localization, articulation, words and sentences rhythms, intonations and conversational communication.

Facilities available

Pure Tone Audiometry, Speech Audiometry, BERA, Special Test, BOA etc.

Speech Therapy

Stammering, Mis articulation, Aphasia, Hearing Impaired, Cleft Palate, Voice Disorder, Mental Retardation, Cerebral Palsy, Autism, Cochlear Implant etc.

Yearly Report 2014-15

•	Speech assessment	:	105			
•	Speech Therapy	:	186	Sessions	:	633
•	Audiometry	:	23			
•	BERA	:	16			
•	Aids and appliances requirements	:	30			
•	Guidance	:	2			

Physiotherapy Unit

Development physiotherapy is an integral part of developmental in children with special needs.

Deepshikha runs a very structural Physio clinic for these children (Cerebral Palsy, Down Syndrome, Autism, Disorder, delayed mile stones etc.

Report (2014 -15)

New cases – 131

Follow up cases – 375

Cerebral Palsy -11, Developmental Delay -92 and others - 28

Early Intervention Unit

In-Charge : Pushpalata

32 children benefitted from this unit. Most of the children showed remarkable improvement, specially in sitting, balancing while standing and walking, neck holding and communication.

Pre School Unit

In-charge : Mrs. Anupa Gupta

This unit helps in the physical as well as mental development of the child through self help, socialization, communication, motor, cognitive and behavior training. Most of the activities are done through play way method.

Observation of the In-charge:

When the parents first come with their child, we cannot decide whether the child needs the therapy first or the parent. But the gloom on their faces turn into a light of hope after just a few days of training.

No. of students : 21

Shifted to transition : 5

Drop out : 5

Transition Unit

In-Charge : Anju Kumari

This unit runs in two sessions, that is a morning session and afternoon session. Behavior Management, ADL Training, Academics, Special Olympics and other co-curricular activities are incorporated in the curriculum of this group.

Session – I (Age range 5 – 9 yrs.)	Session – II (Age range 9 – 15 yrs.)
1. Gagan Karmakar	1. Ankit Chourasia
2. Aditya Kumar Singh	2. Harsh Dhamija
3. Prem Kumar	3. Anish Katpal
4. Neelanjan Burman	4. Joy Cyrus
5. Tanishq Mudgal	5. Parikshit Oraon
	6. Naseem Ansari
	7. Arpit Agarwal

Individualized Education Programme (IEP)

In-charge : Urmila Singh

No. of students covered in 2014-15 :20

Under IEP, each child is given individual training by the special educator.

Success stories

- Aryan, a 9 years old, had speech difficulty. He also had physical imbalance with behavior problem. He attended 87 IEP sessions at Deepshikha at the end of which he could sit, write a few alphabets, speak a few words, follow instructions, identify colours, pictures and body parts. Aryan is now ready for special school.

Com DEALL Unit

Incharge : Deepaa Jalan

Com DEALL Program has the distinction of being India's first indigenously developed communication program, catering specifically to the needs of children with communication disorders particularly Autism Spectrum disorder.

Deepshikha Com DEALL unit was established on 13th October, 2014 with a multi disciplinary faculty of a Special Educator, Speech and Language Pathologist, a Physiotherapist and an Occupational Therapist. They provide intervention to a small group of 12 children in the age range of 2 – 6 years on a daily basis with the goal of integrating them in regular school.

The Com DEALL Unit was inaugurated by Mr. Prasanna Pincha, Chief Commissioner, Mrs. Poonam Natarajan Ex Chairperson and Founder Dr. D.K.Menon Director of NIMH, on the 21st November,2014.

Internships & Volunteers

Students from St. Xavier's College, Ranchi, IGNOU (BSW Dept.) and TISS are regularly coming to Deepshikha for internship.

They are given an orientation on disability and about Deepshikha. Even though their placement is of a short duration, they are a big help in making TLMs, giving finishing touches to the products made by the students of vocational unit, organizing Special Olympic events and assisting the teachers in the classrooms.

Volunteers at Deepshikha help create an energy into the atmosphere!

Elizabeth Hannah (Liz) was one such person. Always on the go, any teacher could ask her help, be it any guidance on autism or simply making a TLM. Deepshikha has indeed been lucky to have such a volunteer. Liz, has to her credit, a couple of books on Autism.

Suchita Modi, a fashion designer by profession, came to Deepshikha for just a few months. However, she made a great impact in the vocational unit with her talent for product designing. With the same product that the students were making earlier, we now have better designs.

Minu Jejani, an artist, is now a regular at Deepshikha. She has a flair for Art and Craft. Her talent is visible through out the school walls.

Parents as volunteers :

We have a few parents also coming as volunteers.

Visitors

7/4/14

Shri Parmanand Sharma, Special Educator, New Delhi visited Deepshikha.

26/4/14

Deepa Bhatt Nair, Affiliate Coordinator, The Comm DEALL Trust (HO and EI centre) visited Deepshikha and conducted an Awareness programme on Autism Spectrum Disorder.

1/7/14

Dr. T.P. Barnwal, Nodal Officer of Rashtriya Bal Swasthya Karyakram (RBSK), from Jharkhand Rural Health Mission Society visited Deepshikha. He also invited Resource persons from Deepshikha for sensitization programme for State Level Convergence Meeting on LLC.

2/7/14

Shri D. K. Himatsinghka, MD, Himatsinghka Seide, Bangalore, visited Deepshikha.

23/7/14

Mrs. Sumita Sinha and Diwakar Prasad, special educators working in Philadelphia, USA, visited Deepshikha.

5/8/14

Ms. Jeeja Ghosh, Ms. Sushmita Bohra from IICP conducted a Awareness Programme on the Role of Stakeholders for Slum Development Officers, Youth Group, Anganwadi Sevikas.

6/8/14

Dr. L. N. Bhagat, Vice Chancellor, Ranchi University visited Deepshikha.

13/1/15

Shri Rahul Sinha IAS, DDC Ranchi, and Shri N.N. Verma, DSWO, Ranchi visited Deepshikha. They were on an inspection visit.

2/2/15

Dr. Praveen Ballabh, a Research Scientist in Boston visited Deepshikha. It was a routine yearly visit.

13/3/15

Shri Glen Joseph Galstaun, MLA, nominated from the Anglo Indian Community visited Deepshikha.

Celebrations :

All festivals are celebrated in Deepshikha with great enthusiasm. Students are given the concept of each festival. It also provides a break from the monotony and it is a time for fun and enjoyment. It provides the D.Ed.SE.MR students a good subject to take up as their teaching projects.

❖ **Celebration of World Autism Day : 4th April**

- ❖ A video show demonstrating different activities of Autistic Unit of our school was shown by Mr.Uttam Kumar.
- ❖ The mothers were felicitated by their child.
- ❖ Tabla Vadan by Mr. Ashish Vidyarthi.
- ❖ Open session for parents by Dr. Alka Nizami and Ms. Madhumita on the topic 'behavior management'.

❖ **Annual Day Celebration : 17th July**

This year the Annual Day was celebrated in the form of a Fete, where different games were organized. All the children got a chance to play and participate in each game.

Six types of games were introduced –

1. Straw game
2. Balloon blowing

3. Candle blowing
4. Hoopla
5. Colour matching
6. Car race

The best thing about the celebration was involvement of parents with their children. They enjoyed 'The Annual Day' very much.

❖ **Raksha Bandhan Celebration: 8th August**

❖ **Independence Day Celebration : 15th August**

Independence Day was celebrated at Deepshikha, City Office. A cultural programme was organized by D.Ed. [SE-MR] trainees.

❖ **Durga Puja Celebration : 29th September**

The concept behind the festival was given to our children by our teachers and D.Ed. [SE-MR] trainees.

❖ **National Parents' Meet : 22-23rd November**

The 22nd National Parent's Meet was organized jointly by NIMH, Deepshikha and Mitra Parents Deepshikha Group. It was a two days event divided in Inaugural & informative sessions.

Children of Deepshikha performed in the cultural evening along with children of Blind School and Pazeb Dance Group.

- The evening began with a prayer by Rahul and was followed by melodious songs and dance.
- The welcome dance 'Subharambh' was performed by D.Ed. [SE-MR] students.
- The students of St. Michael Blind School Rinky Kumari and Meera Kumari presented old songs.
- It was followed by dance 'Itti si Khushi' by the parents and their kids.
- A patriotic dance on 'Desh Rangeela' song was performed by senior students of Deepshikha.
- A Yoga performance was given by students of Prakash Punj.
- Rashmi Rekha Sahu performed an Oddisi classical dance.
- A medley dance was performed by Pazeb Dance Group.

The highlight of the programme was that it was compered by our students Dipankar Ghosh and Prerna Kumari.

2nd day was totally dedicated to presentation of papers and awareness sessions. However, there was sufficient arrangement for engagement of our children with art and craft which was supervised by experts & volunteers.

❖ **Disability Day Celebration : 3rd December**

Picnic at Sidhu Kanhu Park.

❖ **Christmas Celebration: 23rd December**

The celebration started with a prayer by D.Ed. [SE-MR] students. Two types of games were planned for our children, one was free hand drawing where children were asked to draw anything of their choice, together, on a long piece of paper. The other was a 'balloon bursting' game by aiming at it with darts. After that they enjoyed DJ songs and snacks also.

❖ **Celebration of Kite Flying Festival: 13th January**

The concept of the festival was given to our students by D.Ed. [SE-MR] trainees. The students enjoyed making and flying kites.

❖ **Saraswati Puja : 23rd January**

❖ **Republic Day Celebration: 26th January**

Republic Day was celebrated at Jhalsa, Ranchi. The flag was hoisted by Hon'ble Chief Justice of Jharkhand. 11 students of Deepshikha attended the celebration.

❖ **Holi Celebration : 3rd March**

The festival was celebrated by our school students who enjoyed smearing colours on each other.

Competitions:

❖ **Yoga Competition: 19th April**

All India Inter State Yoga Competition was held at "Yogda Satsang" Ashram. Our students performed there as guest invitees.

❖ **Rose Painting Competition : 8th February**

The competition was organized by Rose Society at Ranchi Club. About 15 students participated. Shreya Raj, Puja kumari, Arti Kumari, Keshav Kumar and Hema Kumari got certificates for best entries in special category.

Invitations:

❖ **International Bal Adhikar Diwas (Bal Samagam) : 20th November**

Cultural meet was organized at Aryabhata Auditorium. Two dance performances were shown by our school students. One was Rangeela Group Dance which was performed by Shampy, Hema, Medha, Vishi and Vishal. Another was "Itti si Khushi" performed by our parents and their children of the pre school.

❖ **Abhivyaakti 2015: 1st March**

A state level dance competition was organized by Dance Drama Division of Jharkhand Govt. at Athletic Stadium, Hotwar. Rangeela Group Dance was performed as show dance by 14 students. They got Rs. 10000/- as reward which was distributed equally amongst the participants.

Outings:

❖ **Exhibition (Seeds of Hope) : 19th December**

❖ An educational outing at Gandhi Nagar Club. 5 students participated. The theme was Environment.

❖ **New Classes:**

- We have started
 - ❖ Drawing class by Mr. Shambhunath Chowdhary.
 - ❖ Art and craft class by Mr. Vishwanath Prasad.
 - ❖ Dance class by Mrs. Soma Bose.
 - ❖ One hour Fitness session
 - ❖ Special Olympics

Adult Skill Training Unit

Co-ordinator : Mrs. Rama Mittal

Children above 18 years are taught skills according to their ability. Even students with severe level of disability are given a task to do. Each child is involved in a variety of tasks like embroidery, cutting, pasting, making cards, painting diyas or simply counting the diyas or cards and packing them as well.

Money from sale proceeds is distributed to the students working in this unit. Even though the amount is small, it is a small step towards their economic empowerment.

AMBA CEEIC

In-Charge : Amita Kumari

Deepshikha is running a training program called AMBA from 1st August 2013. It is a program initiated by AMBA Centers for Economic Empowerment of Intellectually Challenged, popularly known as AMBA CEEIC. The objective of AMBA is to bring sustainable livelihood to the community of adult intellectually challenged persons even with very low. The learning process is visual and functional and is peer-driven.

20 students have been enrolled as the first batch. After training, students undertaking the training are now independent in word matching, identifying letters, finding letters on placards, balls, key board and newspaper as per the curriculum of AMBA. A few students can now read newspaper and help others as well. Almost 8 students have become independent in taking class. It is observed that some students have shown improvement in their speech and behavior problems are no more observed in these students.

Computer related activities started from January 2014, wherein students work on their own laptops. The students are now properly able to operate the mouse. They have become independent in MS Word and Excel, editing, word typing and paragraph writing and selection of various tools like color and paint. The students are now ready to do the work training.

Rehabilitation Program for Persons with Disabilities using Sports and Building Communities as Instruments of Change

The aim of the project is to change the mindset and attitude of the society so that it can accept persons with disabilities as they are, respect them, recognize their abilities and promote all round inclusion by sharing the gifts of God that they enjoy by creating and providing opportunities to people with disabilities for improved health, employment and social rehabilitation.

After completion of one year, Phase – I successfully, we are now entering into the second year, Phase – II. After much discussion it was planned to change the daily camp into three days residential camp. In phase –I more than 900 athletes, 90 community Coaches and 120 Parents were trained.

Highlights of the camp :

❖ Distribution of T-Shirts and Shoes to participating athletes :

T-Shirt and Shoes are provided to all the participating athletes before he/she enter the ground for sporting activity.

❖ Athletes Training Program :

Through the track-and-field athletics training program, participants could develop total fitness to compete in other sports. As with all Special Olympics sports, athletics offers the opportunity to learn through skill development and competitive settings and to be involved in large social settings. Exposures in Athletics, football & bocce games were given to all the participating athletes.

❖ Healthy Athlete Programme :

Healthy athlete programme is for screening and routine medical checkup of the athletes. Under this programme are Special Smile, Funfitness, Fit Feet, Healthy Hearing, Health Promotion and Opening Eyes Programme.

❖ Young Athletes :

The motto of this programme is to “Catch Them Young”. The events are designed in such a way that children have a lot of fun and at the same time are exposed to a number of physical activity.

❖ Special Olympic Get Into It (SOGII) :

The Special Olympics Schools and Youth Initiative is committed to increase the participation of youth without intellectual disabilities in Special Olympics activities by establishing school-based Special Olympics programs and activities, such as Special Olympics Get Into It (SOGII). Young people are involved in this program of conveying important information and to spread the message of the Special Olympics movement around the world.

❖ Community Coaches Orientation Program :

Coaches orientation program are provided with the basic principles, techniques and tools.

❖ Athlete Leadership Program (ALPS)

Special Olympics Athlete Leadership allows athletes to explore opportunities for greater participation in the movement beyond sports training and competition as coaches, officials, team captains, spokespeople and Board and committee members. The Athlete Leadership program also provides a way for athletes to showcase talents and interests that may have gone unnoticed, such as public speaking and lot more.

❖ Family Forum Program

Family Forum Program gives the opportunity to discuss topics around the issues that people, caring for an individual with intellectual disabilities are experiencing in their everyday lives. Based on the above a family talk was initiated during the camp. Families attending the camp were made to speak & share the daily problems of their wards.

❖ **National Level Participation :**

8th Special Olympics National Game - Bocce

Name of Athlete	Event	Category	Medal
Laxmi Kumari	Bocce	Single	Bronze Medal
Hema Kumari	Bocce	Double	Bronze Medal

Manpower Training Programme

(Year – 2014-15)

Academic Director : Dr. Alka Nizamie

Course Coordinator: Pramod Kumar

Core Faculty: Uttam Kumar Pandey, Anish Kumar

Diploma in Education Special Education (Mental Retardation)

Deepshikha ICD&MH started its first manpower training programme in 1991 in Diploma in Mental retardation. It aims to develop professionals for special education. The course will enable to acquire knowledge, develop education to children with special needs. This course, now conducted by NIMH, with recognition from the Rehabilitation Council of India, not only gives an understanding of the special needs of the children who are challenged, but is also providing excellent opportunity for employment. The placement of these students as Resource teacher is helping to change the disability scenario in the state. Deepshikha has incorporated technological advancements in its classroom. Use of audio visual aids is encouraged. While the curriculum allows the students to work extensively with special children, Deepshikha gives them ample opportunity to participate in workshops and training.

Highlights:

- ❖ 14 students were given Rs. 3,33,980/- by the Welfare Department, Govt. of Jharkhand as post matric scholarship.
- ❖ Campus Selection by School of Joy, Jamshedpur. 15 attended, 6 Selected.
- ❖ Educational tour of D.Ed.SE-MR: trainees visited PAMHJ, School of Hope and NAB Jamshespur.
- ❖ Decline in enrollment for session 2014-16.
- ❖ Case conference was held regularly on audio visual mode.
- ❖ Data of 40 children was put in the Punarjani (Information and Communication Based Integrated assessment tool for mentally retarded children).

Opportunity:

- ❖ Assisted in organizing national level programme (National Parents' Meet).
- ❖ Successfully organizing Annual Day programme.
- ❖ Chance to learn from Foreigner Special educator.
- ❖ 4 trainees had the opportunity to work in community based rehabilitation.
- ❖ All trainees attended the community coaches training program run by Special Olympic Bharat.

D.Ed.SE-MR Batch of 2013-15

1. Anima Minz	10. Amit Kumar Choudhery	20. Chhatru Mahto

Community Resource Centers

In association with World Vision, Deepshikha and IICP, Kolkata

This project gave Deepshikha an opportunity to reach out in the urban slums of Ranchi in the last three years.

Fully equipped community centres have been established in Purani Ranchi and Lowadih. The work here is carried out in association with World Vision, Ranchi. Children with special needs of age range between 2 to 15 come here regularly to avail therapies. For special education, students of D.Ed.SE-MR are placed at the centre.

CWSN are also taken to participate in Special Olympics and outdoor activities.

IICP, Kolkata, under the aegis of which the program is being run make two mentoring visits every year. In the last three years, we have achieved the following.

- Survey of CWSN in the area.
- Community Resource Centres established.
- 6 CWSN have been included in mainstream school.
- 3 CWSN are going to special school.
- 7 have disability certificate.
- 3 are getting Vivekanand Protsahan Rashi.
- 3 are availing the benefits of Niramaya Health Insurance.
- 20 disabled friendly toilets have been constructed for 20 beneficiaries. This was done with support from VSO (Voluntary Services Overseas)
- 5 CWSN have been given home based training.
- World Vision field workers and anganwadi workers have been trained on disability intervention.

The project is a unique example of convergence of various resources from different organizations:

- Community resource centres are run by World Vision.
- Two of the CRCs have been equipped by VSO, India.
- Intervention and management of disability is done by Deepshikha.
- Mentoring done by IICP, Kolkata.
- Funding of a part time special educator for weekly visits by Paul Hamlyn Foundation, UK.
- Anganwadi workers are also trained in identifying CWSN.

Year wise progress

2012

Started in April 2012 with about 14-18 beneficiaries who came to Deepshikha for therapy program. When PHF joined hands we started going to the community. Since the areas were very wide spread, we had to restrict to 2 urban slums of Purani Ranchi and Lowadih. Regular service was provided by physiotherapist and special educator.

- Orientation of the Community Development Coordinators of World Vision who are incharge of Hatia, Banhora, Hundru, Purani Ranchi and Lowadih.
- 3 days mentoring visit by Mr. M.B. Chetty and Mrs. Purba Bose on identification of disability and early intervention.

- Visit to the project site by Professionals including Special Educator, Speech Therapist and Physiotherapist.
- Regular therapy program carried out by DSE MR Students who were on placement training.
- Home visits were done regularly.
- On second mentoring visit Mrs. Veena Lakshumalani along with Mr. Chetty visited the project sites. She stressed the need for door to door survey.
- Planning was done with World Vision to start Community Resource Centres in Lowadih and Purani Ranchi.
- Few visits to Banhora and Hundru.
- In December 2012 Uma Sengupta, Anupa Gupta and Hiramani went to IICP Kolkata for Lead Ability Training.

2013

- Communication workshop on AAC was organized at Deepshikha for Parents and community workers and volunteers. 8 -10 participants attended the workshop which was very successful. Mouli Gupta and Kesav, both persons with disability, were resource persons for the workshop.
- Mr. M.B. Chetty, Mr. Dipak Ghosh and Mr. Jeeban Halder came for mentoring visit.
- First community resource centre at Purani Ranchi was inaugurated.
- Mr. Dipak, PWD and AAC user communicated through his tab with the big toe of both the legs. He initiated the advocacy group 'Awaz' with 5 members.
- In October, 2013 World Cerebral Palsy day was celebrated at St. Xaviers College where a program of Miracle on Wheels was organized in front of approx 600-800 students. The programme was an eye opener, and our advocacy group members invited students to become volunteers. Today it has been made mandatory that every student completes 15 hrs. of community work at Deepshikha or any other NGO.
- CRC activity continued.
- Regular sports training through Special Olympics was given.
- Second CRC inaugurated in Lowadih in September,13.
- Mr. Tapan Muhuri and Mr. Indranil Ghosh from IICP came for mentoring visit. They also conducted 2 interactive session on 'Furniture Measurement' and 'How to start CBR' services. They also showed an excellent video on using building as a TLM.
- Ms. Hiramani went for placement training for 15 days in the vocational unit at IICP.
- Voluntary Services Overseas (VSO) joined hands and equipped our CRCs. They also helped us to construct 20 disabled friendly toilets for our beneficiaries.
- The disability awareness kit was finalized after field testing and it proved to be an excellent tool for awareness program on disability.
- Deepshikha organized 4 days workshop on 'Disability Identification and Management' for volunteers of Jan Seva Parishad, Hazaribagh and Sindwartola Gramin Vikas Vidyalaya, Khunti.
- Mrs. Jhuma Gupta and Mrs. Urmila Singh went to Kolkata to attend 2 days workshop on child

protection rights conducted by Mrs. Veena Lakhumalani.

- The PHF team was invited to IICP to attend the lecture on 'Development of Human Brain' by Dr. Andrew Curran from USA.
- Survey of Hatia, Purani Ranchi and Lowadih completed. 125 persons with disabilities identified
- Disability certification of 7
- 7 children enrolled in regular school
- Visits for creating ramps in govt. school for barrier free environment

2014

- Re survey in Purani Ranchi and Lowadih through anganwadi.
- Training of community volunteers and SHGs.
- Orientation program for Ward Parshad Councillors and Anganwadi workers.
- 6 Niramaya Certification done.
- 3 special children enrolled in special school.
- Disability certificate and Niramaya enrollment done for the beneficiaries.
- Survey of the area was repeated through anganwadi workers new cases were identified.
- Regular sports and painting competitions organized at the CRCs to make the program inclusive.
- Work continued on inclusive education and one school in Tungritoli was made barrier free.
- Training of Basti Vikas Samiti and Mahila Mandal members on handling and managing ADL (Activities of Daily Living) of special children was done by Ms. Jeeja Ghosh and Ms. Sushma Mandal from IICP Kolkata. They also conducted an orientation program for the stakeholders which included Ward Commissioners and Anganwadi workers.
- Celebration of World Disability Day (3rd December) and Children's Day (14th November) and World Cerebral Palsy Day, (2nd October).
- In February 2015, Mr. Abin Dutta and Ms. Sonali Nandi, IICP came for mentoring visit. They emphasized on Home Based Training and Parent involvement program.
