From the Executive Director

As we complete 30 years of our incredible journey all that I can think of saying is Thank you!

Thank you; team Deepshikha for creating this wonderful place, where we see lives changing. Thank you every teacher, every support staff, every trainer, every volunteer, parents and children who have stood by us and saw us through every challenge that came our way! The teachers, who come mostly as trainers, now are shouldering the responsibilities of the special educators, guiding and training the children, well supported by teaching assistants and volunteers. Thank you, parents for support and volunteering!

Thanks to all those who provided opportunities for our children, inviting them to perform and participate on stage and winning hearts. These are the Rajbhawan, Dept. of Tourism, Yoga Association, Proxima Events, Rose Society, the IPS Wives Association, Rotary Club and the Special Olympics Jharkhand. Some schools and colleges of Ranchi, too, for having us over to speak on Disability, Inclusion, and Rights!

We want to thank our partners ComDEALL, Bangalore and AMBA, Bangalore, for showing us the way to look beyond limits to set higher goals. Thank you, UNICEF, for giving us the opportunity to reach out to the communities.

And a big thank you to all the donors whose contribution helps us tide over big and small speed breakers that occur every now and then.

As we step into the 4th decade, we pray that we continue this journey with the same vigour.....
